Claudie W.

Beth M.

Claudie and Beth have really stepped up to the plate and have been very busy with our 2021 grant writing.

Every month we partner with Church of the Palms & the Salvation Army for "Helping the Homeless Event." Karen & Shelley have never hesitated to step up, and have been doing a great job manning our booth.

Thank You

Max and Neo, donates 1 for 1 to dog rescues for every product sold and their mission is to provide new collars, leashes, toys, and more to rescues so that they can continue saving and enriching the lives of dogs in the community. Their company exists to help rescues help dogs.

Since 2015, they have donated over 24,800 donation boxes to over 3,900 rescues. Please help spread the word about their mission by telling your friends and other rescues, and by sharing about their mission on Facebook, Instagram, etc., (@maxandneo). ■

Thank you Salty Dawgs and Attendees!

Two of our outstanding volunteers decided it would be nice to gather a group of friends and neighbors for a night of fun and music. When the Salty Dawgs were asked if they could do a concert for a great cause, they did not hesitate. Not only did they agree to bless us all with the sounds of their music, we later found out that they had been raising funds for Chance Shelter and we were their very last concert for the season. It was a perfect evening for the concert and many people came out to enjoy their wonderful music. The out pouring of support from this community was heartwarming to say the least.

We would like to thank Sonia and David D., Don B., all members of the Salty Dawg Band and everyone who showed up in the cul-de-sac to support Chance Shelter. Their generosity was admirable and words could never express our gratitude. It was a fun night filled with fantastic sounds, camaraderie and compassionate giving. ■

Neighbor-To-Neighbor Program

Our Neighbor-to-Neighbor Program continues to grow. This program has been very successful. We are proud and honored to be able to provide this service for our Community.

Chance Shelter was sent a referral on a pet that had unfortunately been left alone for 13 days with no food or water due to a crisis situation. Once Chance Shelter received permission to enter the home, upon further inspection

there was a dog in a kennel with no food or water. Miraculously, the dog was still alive after 13 days with no care. We were able to get this pet to a local veterinarian right away. Once it was nursed back to health, the dog received a good grooming and we were able to find her a new forever home.

Cricket & Sadie were referred to us and entered into our Neighbor-To-Neighbor program where they remained for a longer period of time than usual. After it was determined, sadly that they would not be able to be

reunited with their owner, Chance Shelter was able to find them new forever homes.

We are pleased to announce that both pets are doing very well in their new homes. This was a yet another wonderful outcome to a crisis situation. ■

A Much Needed Resource for the Community

We would like to thank all of our supporters for helping us reach our goal of getting the Chance Shelter Response van wrapped. A huge shout out to **Howling Wolf Graphics** for such a fantastic job of capturing our vision.

The Chance Shelter van will help us to continue to safely transport pets during crisis situations, to vet visits, to grooming appointments and adoption events. ■

The van will help to advertise the reason for Chance Shelter's existence.

The wrapping is to expand awareness within the community.

Anyone who is a business owner and would like to sponsor the Chance Shelter van in exchange for their logo being displayed on the back of the van can contact us at info@chanceshelter.org or call 602-394-1595
