SPRING TRAINING RESULTS

Chance Shelter was offered the opportunity to partner with Surprise Stadium and Aramark as a non-profit during Spring Training in March. Volunteers from the shelter worked two sausage concession stands during several Spring Training games. A portion of the proceeds from each game were donated to the Shelter along with generous donations from visitors. As a result of this opportunity, Chance Shelter received over \$6000.00 that will allow us to continue to support the pets in our community who are in a crisis situation. Thank you to our volunteers who gave their time, Aramark and the visitors to the Spring Training Games for their generosity. ■

Community Education

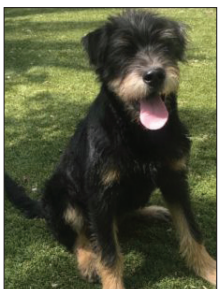

A service that Chance Shelter offers to the community is educating children and adults alike to bring a better understanding and respect for pets. Our educators, **Kathy Bayer** and **Jenn Currie**, have extensive knowledge experience in the EMT field. Both have CPR training and share this with the community in caring for their pets. We offer classes for children of all ages teaching pet safety and responsibility. For adults we offer courses

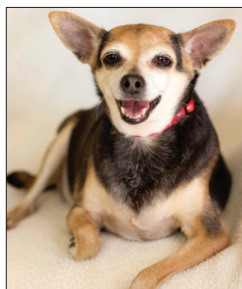

including topics such as AZ laws and ordinances, basic first aid and signs of illness, plus an opportunity to learn pet CPR. We offered two CPR courses during the first quarter of 2019. Each quarter we offer this course which is open to the public. There is a \$20 fee and registration is required. Any Chance Shelter volunteer or foster can attend free of charge. ■

“Our volunteers are the reason we accomplish all the good things we do.”

Pet Adoptions:

Boots

Juanita

Hooray! We were successful in finding a forever home for the last of our six puppies. **Boots** went to a loving forever home in April. **Juanita** a female 8 year old lovable Chihuahua went to a new forever home recently. Thank you to her new family. ■

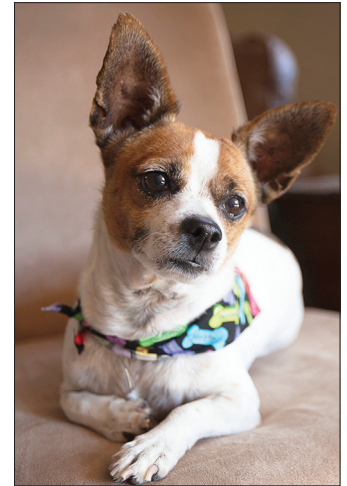

Pets Available for Adoption:

Blue and Lil' Bit

Blue has stunning green eyes. She is 7 years old and looking for a new forever home. Blue is spayed and up to date on her vaccines. Blue came to us with her roommate Lil' Bit after losing their owner. Our hopes are to find a new forever home for them to remain together.

Lil' Bit is 6 years old. She is spayed and up to date on vaccines. She is a sweetheart and would love to remain with Blue as this is her friend. If you are interested in adopting Lil' Bit or maybe both her and Blue, please visit our web site chanceshelter.org.

Goliath

Goliath is our newest pet up for adoption. He is neutered and current with his shots. Goliath is outgoing and never meets a stranger. Loves people, children and other dogs. He is a perky nine year old Chihuahua who loves to go for walks and car rides. ■

Continued Support From Our City Youth

A 12 year old Surprise student, **Kaitlyn O'Connor**, recently embarked on a mission to obtain donations for Chance Shelter. Kaitlyn visited several local retail merchants asking for contributions for the shelter. On April 22 she presented Audra Colson, CEO and Bob Estep, Foster Committee Co-chair with the donated items. Thank you Kaitlyn and the merchants who so kindly responded to her request. ■
