## Always Appreciating our Volunteers

Chance Shelter recognizes all of the hard work and dedication that all of our volunteers contribute. This includes our fosters who without their time, love and compassion for our pets, we could not continue our vision and mission of providing care for pets in crisis situations. ■

# Community Outreach Intake

*Our Community Outreach Intake program continues to grow. This program has been very successful. We are proud and honored to be able to provide this service for our Community.*

Our Community Outreach Intake Program is still ongoing. Our Chance Shelter Volunteer Fosters were able to help, *Josephine, Leonides, Max, Minnie, and Annie* by caring for them when their owners needed help. Due to unforeseen circumstances, Chance Shelter was happy to take over the care for these pets who were reunited when their owners were able to come back home. It is always a happy reunion. ■
